

PRASHANT LMC THAPA

prashantthapa2005@gmail.com | Jhapa, Nepal | prashantthapa21.np.com

PROFILE

Motivated and growing student with a strong interest in data analysis, technology, and problem solving. I am currently pursuing BSc CSIT at ShreeYantra College while developing practical skills in Excel, SQL, Python, and data visualization. My background in mathematics and science, along with teaching experience, has shaped my discipline, communication skills, and ability to work with real-world information.

EDUCATION

SEE	Phoenix English School, Kamal-4, Jhapa	GPA: 3.6	Batch: 2021 AD (2078 BS)
SLC +2 Science	Wonderland Boarding English School, Kamal-3, Jhapa	GPA: 3.20	Batch: 2023 AD (2079 BS)
Bachelor	BSc CSIT, ShreeYantra College	Started: 2023 AD (2080 BS)	Current focus: Data Analysis / Tech

EXPERIENCE

Part-time Secondary Mathematics Teacher | Smarika School

Teaching mathematics to secondary students while improving communication, patience, problem-solving, and classroom leadership. This experience has helped me become more responsible, consistent, and confident in explaining ideas clearly and supporting student learning.

SKILLS

- Microsoft Excel and Google Sheets
- SQL
- Python
- Data Cleaning and Data Wrangling
- Data Visualization
- Basic Statistics
- Problem Solving
- Business Insight Communication
- Presentation and Documentation

PROJECTS & LEARNING

- Air Quality Insight Dashboard — explored trends and patterns using cleaned data and simple visual storytelling.
- Student Performance Study — analyzed academic performance patterns and identified learning-related insights.
- Sales Trend Analysis — learning how to interpret business data and convert numbers into practical recommendations.

INTERESTS

Data analysis, business intelligence, dashboard reporting, analytics projects, and future learning in AI and machine learning foundations.
